My son has been troubled for years with chronic diarrhoea. Sometime ago I persuaded him to take some of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using two bottles of the 65-cent size he was cured. I give this testimonial, hoping some one similarly afflicted may read it and be benefited. Thomas C. Bower, Glencoe, O. As a cure for rheumatism Chamberlain's Pain Balm is gaining a wide reputation. D. R. Johnston, of Richmond, Ind., has been troubled with that ailment since 1892. In speaking of it he says: "I never found anything that would relieve me until I used Chamberlain's Pain Balm. It acts like magic with me. Struck it Rich.

The Easter Sunday Gold Mining company are pushing development work on their properties with very flattering results. Their No. 1 shaft was sunk high upon the mountain side, on a well developed ledge of gold rock, but of late they have been at work running a tunnel to tap that ledge, and Sunday last while working in this tunnel the miners struck another ledge of high grade gold ore which assays up into the hundreds to the ton. This ledge is also well defined and is four feet wide on its face.

The gentlemen composing the Easter Sunday company are all Bisbee people, and, of course, are highly elated over their good fortune, and the stock, which has never sold for less than 25 cts. per share, is liable to shoot up at any hour. This property, from its discovery, has been held in high esteem by its owners, and, although there has been little said about it, it has been claimed by good miners who are well acquainted where the mines are located, that a bonanza would some day be developed there and this recent discovery proves that their judgment was sound and that their predictions in regard to the property are to be realized sooner than was anticipated.

This valuable mining property is situated about seven miles south east from Bisbee, and within easy reach of rail transportation, which fact makes it valuable for the easy and inexpensive handling of the ores, which, as before stated, is gold bearing, but also carries some silver and a small percentage of copper.

Hurrah for Bisbee!

Bisbee is to the front on every turn. She won't be left. That is all there is to it when the chances are anything like even.

Our team that went to Phoenix and entered the carnival contest for the championship in the drilling match won the first prize, as the following dispatch shows, which was received at this office last night at 9:30:

"PHOENIX, Dec. 5, 1899,

"Editor Oas.—Won the double-handed first prize.

(Signed) FELIX.
Felix and Baxter were the gentlemen who went from Bisbee to Phoenix with their minds made up to win the \$600 prize, and they did. These two men won the prize here on the Fourth of July, and this second victory makes them the champion drilling team, at least in Arizona, and all Bisbee is proud of them. They are worthy men as well as champion drillers.

Notice.

All persons knowing themselves to be indebted to Frank Bopp for road taxes for the year 1899, are hereby requested to call at his office in Bisbee and make immediate settlement for same, otherwise immediate legal proceedings will be instituted to force such collections. You will please take further notice that under this act no property is exempt from execution. By order of FRANK H. BOPP, Road Overseer Bisbee District.
